

# **NSW Golf Croquet Bronze Brooch 2023**

Tuesday 8 to Thursday 10 August

The CNSW GC Bronze brooch was played at Taree Croquet Club 8-10<sup>th</sup> August. It was contested by 14 players. Players came from the Southern Highlands, Queanbeyan, Marrickville, Nelson Bay, Maitland, Newcastle National Park, Port Macquarie and Taree.

The games were played in a very competitive but friendly manner with most of the games with very close scores. Hoop thirteen was often required to decide the game.

Many thanks must go to all the players and workers for all their good efforts in making the competition such a success. We were thankful to have referees from Nelson Bay, South West Rocks, Forster, Port Macquarie and Taree so that a Referee was available on every court. We also were able to have willing and helpful that enabled players to concentrate on their play.

The finals were closely contested with most requiring the 3 games. The winner of the event was Tony Croft from Port Macquarie, with Faby Batho from Nelson Bay the runner up. Tony's handicap changed from a 10 to an 8 during the competition. 3 other players lowered their handicap during the tournament.

We thank Croquet NSW for allowing Taree to run this competition and look forward to future opportunities.
